1.1 INTRODUCTION

The Business Mentorship Society of Kenya (BMSK) is a dynamic organization in Kenya dedicated to bringing together business students from various educational institutions across the country as well as other individuals interested in learning business skills. Established with a vision to foster collaboration, upskilling, and positive change within the business ecosystem, BMSK aims to empower its members and contribute to the growth and development of the wider business community.

Our approaches include; The Ujuzi Skill Package (business and life skills starter pack), business forums and conferences, business challenges at county and inter-county level among others.

MISSION

The BMSK provides a platform for business students to enhance their skills, exchange knowledge, and promote entrepreneurship, while actively contributing to the development of the business sector in Kenya. Through various initiatives and partnerships, BMSK aims to create a network of motivated and skilled individuals who can drive positive change and make a meaningful impact.

Consistent Upskilling:

We believe everyone is an 'life-long student' whether they are in school or have graduated, which informs our slogan '**ever learning**'. BMSK is committed to organizing forums, workshops, and training sessions that focus on enhancing the skills and knowledge of business students. These events provide a platform for members to learn from industry experts, share experiences, and gain insights into various business domains, enabling them to become more competitive in the job market.

By doing this, we provide our members with the best possible opportunities by linking them to professional service firms, accreditation bodies and companies, and by organizing events that enable students to build professional skills and build their careers.

Creating Ambassadors and Change Agents.

BMSK recognizes the importance of empowering the informal sector and Micro, Small, and Medium Enterprises (MSMEs). As agents of change, BMSK members actively engage with these sectors, providing training and mentorship to individuals who may not have access to formal business education. By doing so, BMSK aims to uplift these sectors, stimulate growth, and contribute to poverty alleviation efforts in Kenya.

Demystifying entrepreneurship and business.

BMSK understands the challenges faced by businesses in navigating the complex business landscape. To address this, the organization actively collaborates with players within the business ecosystem demystify business, taxation and other concepts that may appear complex for the common businessperson. Through educational campaigns, workshops, and informative materials, BMSK aims to enhance tax literacy, ensuring compliance and fostering a transparent and thriving business environment.

The Business Mentorship Society of Kenya is guided by the following core values;

Collaboration:

BMSK believes in the power of collaboration and encourages members to work together, share ideas, and leverage collective knowledge to drive positive change. Through collaboration with learners, businesses, regulators, accreditation bodies and other stakeholders, we inject value for each stakeholder.

Empowerment.

BMSK is committed to empowering its members and the wider business community through skill development, mentorship, and providing access to resources that enable personal and professional growth.

Integrity.

BMSK upholds the highest standards of integrity and ethics, ensuring transparency, accountability, and fairness in all its activities and interactions.

Innovation.

BMSK embraces innovation and encourages its members to think creatively, explore new ideas, and embrace emerging trends to foster entrepreneurship and drive sustainable business practices.

The Business Mentorship Society of Kenya (BMSK) aims to create a diverse and inclusive community of individuals and institutions passionate about learning, understanding the business world, and fostering positive change in society and the world at large. To achieve this vision, BMSK has designed three categories of members, each playing a vital role in promoting business skills development and entrepreneurship in the country.

LEARNERS

The Learners category comprises passionate individuals who are eager to broaden their knowledge and understanding of the business landscape, emerging trends, and innovative practices. These individuals have a strong desire to improve themselves through continuous skills development, equipping themselves with the necessary tools to create a positive impact on society and the global community.

Learners within BMSK participate in various educational activities, workshops, seminars, and forums aimed at enhancing their business acumen and professional capabilities. They engage in lively discussions, share experiences, and collaborate with peers to foster a culture of learning and growth. Learners are encouraged to embrace curiosity, creativity, and critical thinking to become future leaders and change-makers in the business ecosystem.

EDUCATORS

The Educators category includes reputable training institutions that provide business education and training to aspiring entrepreneurs and business professionals, and are open to having empowerment of their students conducted at their premises. These institutions are open to collaborating with BMSK, providing a platform for the Society to hold enlightening forums, workshops, and knowledge-sharing sessions within their premises.

By partnering with BMSK, Educators contribute to the development of a well-informed and skilled business student community. They support the Society's mission by offering their resources, facilities, and expertise to foster an enriching learning environment for learners. Through this collaboration, Educators play a crucial role in shaping the next generation of business leaders and empowering them with the tools to excel in their chosen fields.

FRIENDS OF BMSK

The Friends of BMSK category comprises both institutions and individuals who are committed to consistently contributing to the development of business skills and entrepreneurship in the country. These friends recognize the importance of empowering the youth and future entrepreneurs to drive positive change, employability and economic growth.

Friends of BMSK actively support the Society's initiatives through financial contributions, mentorship programs, sponsorship opportunities, and networking support. Their dedication to the development of business skills and entrepreneurship acts as a catalyst for promoting innovation, creativity, and sustainable business practices in the nation.

By becoming Friends of BMSK, institutions and individuals alike join a community of like-minded individuals who share a common vision of fostering a thriving business ecosystem in Kenya. Their contributions, both individually and in the corporate sense, play a pivotal role in advancing the Society's mission and impacting the lives of learners and educators within the BMSK community.

- ▶ BMSK welcomes Learners, Educators, and Friends of BMSK to join hands in creating a vibrant community dedicated to learning, understanding, and improving the business world. Together, they work towards empowering the youth, equipping them with the necessary skills, and inspiring them to lead positive change and contribute to the growth and development of the society and the world at large.

At BMSK, we believe that leadership is not just about holding titles; it's about inspiring positive change and fostering an ecosystem of growth and innovation. Our leaders, representing different backgrounds and experiences, come together as a kaleidoscope of brilliance, each contributing a unique hue to our colourful canvas. With determination and enthusiasm, they guide our Society towards new horizons, where possibilities shine like stars in a night sky.
